An illustration of a person with curly hair, wearing a light-colored shirt and shorts, climbing a tree. The person is holding onto a branch with both hands and feet. A small, spotted animal is perched on a lower branch. The background shows some foliage and a simple line drawing of a mountain range.

Future "Stars"

"And Someone We'll Never Forget . . ."

Now time and the river
must stop in their tracks
or roll on forever
there's no turning back
is flowing on along with me
even slow
I join the brimming river
to flow on and on and on
and the world of me shall go on with
the river
that is calling me home
